About

Product designer with 2 years of experience in B2B SaaS. I care about design systems, information architecture, and making complex workflows feel simple.

Experience

Product Designer

Razorpay · Jan 2024 – Present

Working on checkout and payment flows. Reduced checkout drop-off by 18% through a redesigned error recovery system.

Design Intern

Cred · Jun 2023 – Dec 2023

Contributed to the Rewards Hub redesign. Conducted 12 user interviews and produced the design system component library.
