81

Overall score

8-Dimension profile

Breakdown

Visual Craft

Strong

91

Your visual decisions are precise and deliberate. Alignment, hierarchy, and density choices consistently communicate intent. This is your strongest differentiator in a competitive pool.

Design Thinking

Strong

82

Strong problem framing and structured approach to ambiguous briefs. Your answers show awareness of constraints before jumping to solutions.

Technical Depth

Needs work

68

Your understanding of implementation constraints is developing. Strengthening your knowledge of component states, edge cases, and handoff documentation would raise this score.
